What we are about... We believe that the church of Jesus Christ exists in and for the world. The Flame at Byhalia Church is one body of that exalted group that worships Jesus Christ as Lord and Savior. The prayers and intentions of the Flame are for obedience to the will of God. We serve our Lord humbly despite our present brokenness. We praise God in gratitude for the opportunities to serve Him. The Flame is a community of believers and a redeemed and redeeming fellowship in which the Word of God is preached by people divinely called. Under the discipline of the Holy Spirit, the Flame seeks to provide for the maintenance of worship, the edification of believers, and the redemption of the world.
